## Henry M. Latch III, AIA, NCARB

Senior Project Manager

### Experience and Qualifications

Mr. Latch has worked on a variety of projects throughout the tri-state area and the country that include corporate, commercial, residential, and telecommunications projects. He has extensive experience in both commercial and residential architecture and construction practices. He has been responsible for construction documents, design drawings, and project management as well as dealing with the various regulating bodies at the state, county, and town level. He also has extensive experience acting on behalf of landlords, owners, and property managers on all aspects of tenant leasing and capital improvements.
