

KIMMERLE NEWMAN Architects

Affiliate of
KIMMERLE GROUP

Patrick Luzzi
Managing Director

Experience and Qualifications

Patrick is a practiced real estate professional who serves as general manager and leader of strategic real estate assignments for the firm's corporate and health clients. He applies his more than 20 years of diverse expertise in overseeing Kimmerle Group's daily business operations, as well as driving business development and strategic growth efforts for the firm's Healthcare and Corporate clients. Prior to joining Kimmerle Group, he was the Broker of Record and Managing Director for CBRE's New Jersey offices, and has previous experience in leasing management and property management for office, industrial and commercial real estate portfolios.
